

School 1 PTA Elects; Hears Address by Mrs. Britten

The history of School 1, a panel on television and election of officers featured the meeting of the School 1 PTA held at the school Monday night.

"The teachers of today are on a par with the pioneers of yesterday," summarizes an address delivered by Mrs. Walter A. Britten. In presenting the historical outline of School 1, Mrs. Britten described the life of the school, beginning with the original building erected in 1860 on the Washington St. site where a church now stands and continuing with School 5 located on the West Circular St. site now occupied by the residence of the Caputo family. This school was designed to take the overflow of School 1.

Cites Mrs. Mulqueen
An alumna of School 1 herself, Mrs. Britten outlined the careers of many of the school's graduates. Most notable from the women's point of view is Mrs. Mary Mulqueen, who went on to attain the only position ever held by a woman on the City Council.

Paying tribute to the teachers of former years, the speaker specifically cited as outstanding the career of Mrs. Thomas Flynn, mother of Miss Julia M. Flynn, present principal of the school.

Concluding the talk, Mrs. Britten said that the children of today are in the competent hands of fine teachers, as were their mothers and fathers.

Sharing the program with Mrs. Britten was a Skidmore panel, which presented a discussion on "TV and the Children." Miss Roberta Frye acted as moderator. Miss Rosemary McClure gave the arguments in favor of television, and Miss Leices Greenhut presented the other side of the picture. Arguments were given in a clear manner, and the panel members answered many questions following the formal discussion.

Participation Good
Enthusiasm and participation were evident throughout the meeting, officers noted. Because of the importance historically of Mrs. Britten's talk, she was requested to present the material in "Chronicles of Saratoga."

Warren Wildy, president, expressed his appreciation to Mrs. Britten and the members of the panel and to Mrs. Edward Ford, program chairman.

Mrs. Edward Ford was elected president of the PTA for the coming year, succeeding Mr. Wildy. Others were named as follows:

Mrs. Kenneth Lane, vice-president; Mrs. Charles Towner, secretary; Jeremiah DeMatteo, treasurer; Mrs. James Adinophl, corresponding secretary, and Mrs. Jeremiah DeMatteo, delegate to the council. The slate was presented by Mrs. Frank Dominick. Officers will be installed at the May 14 meeting.

Mrs. William Venemann was in charge of serving refreshments.

The annual banquet of the Saratoga Springs Chamber of Commerce, originally scheduled for Thursday, Apr. 26, has been advanced one week to Thursday, Apr. 19.

Nomination and election of officers of both the B'nai B'rith Lodge and Chapter will take place at a meeting tonight at 8:30 in the Jewish Community Center, and a cancer program will be presented at a joint meeting of the two groups.

The film "146,000 Could Live" will be shown under the auspices of the board of the Saratoga County Field Army of the American Cancer Society. Dr. William J. Hickey will conduct a discussion period following the film, and Mrs. Arthur G. Qua, public relations chairman of the Field Army board, will explain the work of the Friendly Red Door.

The film deals with the seven danger signals of cancer. It shows five actual cases in which a

cure was effected. In another case it tells the mother's story of the death of her son, who sought proper treatment too late. The seventh case shows a man who noticed a danger signal, consulted his physician and found that he did not have cancer.

Refreshments will be served following. All lodge and chapter members, as well as all others interested, are invited.
