

Public to View AF Educational Program

Residents of the Saratoga area will have an opportunity on Friday to get first-hand information on the educational program available to members of the U. S. Air Force through mobile education units.

A unit, mounted on a remodeled refrigerator trailer which was created from salvage stock at McChord Air Force Base, now is at the Air Force base of the A. C. & W. Squadron, located west of Saratoga Lake in the vicinity of Ketchums Corner.

The Air Defense Command Mobile Education Unit, one of two now in service, is equipped with all the latest education devices ordinarily found at the larger Air Force bases and is an example of future vans scheduled for service in the Air Force.

Under the direction of S/Sgt Eugene F. Matthews, the unit offers a variety of 115 of the most popular U. S. Armed Forces Institute self-teaching and correspondence courses and enables Air Force personnel to receive immediate over-the-counter enrollment.

The unit also offers the United States Armed Forces Institute's General Education Development tests at both the high school and college level.

These tests, published by the United States Armed Forces Institute of Madison, Wis., are recognized by the State Board's of Education throughout the country, and, with only a few exceptions in some of the states, successful completion enables an airman to obtain a high school diploma and receive credit toward a college degree while serving in the Air Force.

As an example, it is pointed out that an airman may enroll in a course in seventh grade mathematics, spherical trigonometry, business law, plumbing, and masonry and many other trade courses designed for practical knowledge or college courses required in a college curriculum.

Staff Sergeant Matthews and other qualified personnel with the mobile unit already have been consulted by men at the base here, who are planning correspondence and self-teaching courses.

The unit will be brought to Saratoga Springs Friday, and after a half hour at the Walton Sports Shop, Lake Ave., from 3 to 3:30, it will take up a position in Broadway in front of the Triangle Shoe Store, where the general public will be welcome to inspect the display from 4 to 9 p.m.

Fire Auxiliary Installs Mrs. Sauer

Ballston Lake—Mrs. Lloyd Sauer recently was installed president of the Ballston Lake Firemen's Auxiliary. Mrs. Dewitt Jenkins was installed vicepresident; Mrs. Charles Anderson, secretary, and Mrs. Michael Curran, treasurer.

Taking part in the ceremonies were Mrs. Ted Gillingham, Mrs. Richard Ward, Mrs. Bea Lievestro, Mrs. Cliff Dickinson, Mrs. Willard Hicks and Mrs. Gertrude Murnane, as well as the newly installed officers.

Mrs. Sauer announced the following committee chairmen and co-chairmen:

Ways and means, Mrs. Cliff Dickinson and Mrs. Michael Curran. Refreshments, Mrs. Joseph Santarcangelo and Mrs. Charles Anderson. Program, Mrs. Stanley Bony and Mrs. John Mulvaney. Fire emergency, Mrs. Bea Lievestro and Mrs. Lloyd Sauer. Membership, Mrs. Kenneth Hurley and Mrs. Betty Fournier. Publicity, Mrs. Gertrude Murnane and Mrs. Bettina Spoonagle. Area service, Mrs. Willard Hicks and Mrs. Michael Curran. Sunshine, Mrs. Ray Justin. Mrs. Edna Gillingham, past president, is chaplain.

FAIRY-TALE FUN—Yucca and hyacinths may be coming up, but there's still plenty of winter weather in Norway. This snow statue of a bear, with a princess on his head, was carved by a group of amateur artists at the Holmenkollen ski run near Oslo. It represents a favorite Norwegian fairy tale.

OPPORTUNITY FOR AIRMEN—Inside the Air Defense Command's Mobile Education Unit, now at the base of the 656th A. C. & W. Squadron, Eugene F. Matthews, left, non-commissioned officer Fontaine, seated, education specialist at the 656th.

Experts to Take Part in Farmer, Sports Panel

Ballston Lake—Leaders in agricultural and sports fields will take part in the farmer-sportsman panel discussion tonight at 7:30 in the Burnt Hills-Ballston Lake High School.

The moderator will be Dr. Gustav Swanson of Ithaca, head of the Conservation Department of Cornell University.

Herbert Huckle, Saratoga County agricultural agent, announces that Walter Armer of Ballston Spa, president of the county Farm Bureau and Saratoga County Agricultural Society, will be the guest speaker.

Other panelists will be James Ford of Broadalbin, president of Saratoga County Sportsmen's Federation; Edward Foster of Ithaca, executive secretary of the State Farm Bureau Federation; Michael Petrucco, Albany, vicepresident of the State Conservation Council, and Arthur Holweg, representing the State Conservation Department.

Jonesville Fire Dept. Elects Heads

Ballston Lake—William Sumner was elected president of the Jonesville Volunteer Fire Department at a recent meeting. Michael Sluti was re-elected fire chief. Other officers chosen were:

Don Bartheaume, vicepresident; Robert Riddle, recording secretary; Edwin Ryan, corresponding secretary, and Richard Peterson, treasurer.

James Riddle was elected first assistant chief, and Grant Odgen, Jr., second assistant chief.

Appointed to the house committee were James Riddle, chairman; Michael Sluti and Peter Peterson.

The Jonesville department is planning an open house to show the public the recently-built firehouse. The committee for the event is Albert Misco, Peter Peterson, Don Bartheaume, Edwin Ryan and William Sumner. Ralph Dinallo is sergeant-at-arms.

Sluti reported that the firemen answered seven grass fire calls and two false alarms. His report for the year showed the company responded to 19 fire calls, with 257 men reporting; three false alarms and five mutual aid calls, and held three civil defense drills.

Ground Broken For Church Addition

Ballston Lake—Ground breaking for the new addition to the Baptist Church took place Sunday at the 10 a.m. service. H. Victor Kane, executive secretary of the New York Baptist Convention, was the speaker.

Honorary guests were Harmon Ashdown, 91, the oldest member of the church, and Patsy Williams, 12, daughter of Mr. and Mrs. Alex Williams, the youngest. Mrs. William Coffey of Burnt Hills was the soloist.

Giles Vander Bogert of Schenectady is the architect for the addition, which will include Sunday School rooms and a fellowship hall.

Ray K. Smith of Schenectady is the general contractor.

Ballston Lake Group Fills Two Posts

Ballston Lake—Mrs. Everett Stone was elected secretary of the Youth Activities Council at a recent meeting in the Ballston Lake Elementary School. Eugene Smith was elected publicity chairman.

Charles Bogue, chairman, announced that because of the vacancy after Dr. Roland Schmidt asked to be relieved of his duties so he could be on the citizen's committee, the office of treasurer is open. Mr. Bogue said the nominating committee will present candidates for treasurer at the May meeting.

John Trombley, chairman of the boys' basketball project, reported plans are being made for the Little League and Babe Ruth programs.

4 PTA Units Get Charters

Ballston Lake—Charters were presented to the newly formed Parent-Teacher units at a combined meeting of the four groups Tuesday night in the Burnt Hills-Ballston Lake High School auditorium.

Miss Harriet Stanton, remedial reading teacher, explained how reading is being taught in local schools. A film from Syracuse University was shown.

Music was provided by the high school pupils, and projects completed by the homemaking, wood-working, commercial and art classes of the high school were displayed.

Fort Miller

Fort Miller—Mrs. George Emery attended the wedding of Miss Laura Potter and Richard Roeckle Sunday afternoon in St. Paul's Lutheran Church, Saratoga Springs, and the reception at the Panza Starlight at Saratoga Lake.

Ray K. Smith of Schenectady is the general contractor.

Trombley has called a meeting of coaches for Friday in the Ballston Lake Elementary School. Further baseball plans as well as girls' softball plans will be discussed.

Others on the baseball committee are Hyland Plimpton and Frank Coons for the Burnt Hills-Ballston Lake area, and Alan LaFley, representative of East Glenville.

Mrs. Harold Tillema is chairman of the Girls' softball project, with Roland Huddleston, co-chairman.

Children who desire to play ball are being contacted, and it is hoped that in a week the teams will be completed.

Bogue announced that Robert Armstrong is chairman of playground projects; Allen LaFley, skating projects; John Adams, Boy Scout project; Robert Meals, tennis projects, and George Schacher, caller at block dances. Mrs. Vivienne Stoupe is chairman of Girl Scouts coordination.

Swimming Pool Plans
Bogue reported on the progress toward the swimming pool, which will be built on property adjacent to his home in Charlton. It will be available to all youngsters in the Burnt Hills-Ballston Lake school district on a membership or share interest basis.

Bogue also announced that until completion of the pool, Collins Park in Scotia and the Ballston Spa swimming pool would be available to area youngsters. Transportation problems are being worked out.

Bogue reported the dramatics group, under the chairmanship of Richard Doig, is working on two plays to be presented this Spring.

Boys to Baby-Sit
Mrs. Ruth Harmon, chairman of the committee to investigate the possibilities of having a course in baby sitting, reported the project would be of interest to both boys and girls of all ages because it includes safety rules for fire-fighting, police protection, first aid as well as general care of children.

Residents interested in the Youth Activities Council are invited to the meetings, which are held at 8 p.m. the first Wednesday of every month in the Ballston Lake Elementary School.

CONSTIPATED? New laxative discovery un-locks bowel blocks without gag, bloot or gripe

Constipation is caused by what doctors call a "thrifty" colon that, instead of retaining moisture as it should, does the opposite: robs the colon of so much moisture that its contents become dehydrated, so dry that they block the bowel; so shrunken that they fail to excite or stimulate the urge to purge that propels and expels waste from your body.

To regain normal regularity, the dry, shrunken, constipating contents of your colon which now block your bowel must be re-moistened. Second, bulk must be brought to your colon to S-T-R-E-T-C-H stimulate it to action; to a normal urge to purge.

And, of all laxatives, only COLONAD, the amazing new laxative discovery possesses COLONAD's great moisturizing capacity, plus COLONAD's stretch-stimulating bulk. So effective it relieves even chronic constipation overnight, COLONAD is yet so smooth, so gentle it has proved safe even for women in critical stages of pregnancy.

Superior to old style bulk, salt or drug laxatives, COLONAD neither gags, bloats nor grips; won't interfere with absorption of vitamins and other valuable food nutrients; in clinical tests, did not cause rash or other reactions. It's a physiological fact! Exercise tones your body! And COLONAD exercises your colon to tone it against constipation, overnight! Get COLONAD, in easy-to-take tablet form at any drug counter, today! Only 98¢ for the 60 tablet package, brings positive relief at less than 2¢ per tablet.

Women's Club Holding Sale

Ballston Lake—The Burnt Hills-Ballston Lake Women's Club is holding a commission clothing sale in the Burnt Hills IOOF Hall today from 9 a.m. to 9 p.m., and tomorrow from 9 a.m. to noon.

Meeting the challenge of our changing times.

The "yardsticks" used to measure the efficiency and effectiveness of railroad operation give to The D. & H. an impressive record of performance. In almost every phase of comparable railroad operation, during 1956 The D. & H. out-performed the group record of all Class I railroads, as the published report will attest.

This notable record was made possible primarily because of the devoted and skilled service of the men and women who operate our railroad . . . plus the quality and quantity of the equipment and tools with which they have to work.

Since the end of World War II, The D. & H. has spent \$65,000,000 for capital improvements. To date 198.5 miles of track have been placed under electronic control (with an additional 53.3 miles soon to be completed) providing added efficiency and safety. New freight, hopper, dining and passenger cars, valued at \$17,810,000, have been added to the rolling stock. Locomotive power has been completely dieselized. Shops have been modernized and expanded. Mechanized track main-

tenance has taken the place of the old time Gandy Dancer.

An additional \$4,200,000 has been budgeted for 1957 for further capital improvements that will enhance the efficient, economic and safe operation of the railroad.

The D. & H. has thus been able to maintain its strong competitive position among the railroads and other forms of transportation in its area. Constantly improved service has been given our shippers. Our stockholders see the physical improvement of their property with its attendant increase in earnings. Our employees, who suggested most of the improvements in drafting a capital budget plan unique in railroad management, enjoy the most modern means with which to do their work, plus pay scales and working conditions in keeping with the highest concepts of progressive American management-labor relations.

It is thus that The D. & H. has met, and intends to continue to meet, the challenge of our changing times, preserving and enhancing the position of the American railroad as the most dependable, indeed indispensable prime mover of the nation's commerce.
