

DEPARTMENT OF THE AIR FORCE  
656TH RAFAF SQUADRON (S GE) (ADC)  
SARATOGA AIR FORCE STAT ON, NEW YORK 12866

REPLY TO  
ATTN-OF: 656CAS

1 May 1967

SUBJECT: Disaster Procedures

TO: All Personnel

1. Attached ADC Form 18's will be completed for all members of your section not later than 1200 hours, 8 May 1967.
2. EWO assignments (Atch #1) have been confirmed with individual duty sections. In the event of an alert, these personnel will report directly to their duty sections. All other personnel are either assigned to a primary defense team (Atch #2), or are to be used as reserves (Atch #3). Personnel in either of these categories will report to the locations and to the Team Leaders indicated.
3. Specific Emergency Data should be filled in as specified in either Atch 1, 2, or 3.
4. The only Decontamination Station is located in Building #132, the Operations Building. This should be indicated in the appropriate block of the ADC Form 18.
5. Any questions concerning these forms may be directed to the First Sergeant.
